Agape Missions welcomes you to visit our open house. This event is free and open to the public. Agape would like to give you an opportunity to tour our offices, learn about services provided, meet our staff, and understand the importance of prevention. We would also like to remember those we have lost to AIDS as well as honor those who are living. Come show your support and pick up a **red ribbon** to wear throughout the day! Refreshments and snacks will be provided.
